**2026 Primary Election Sample Ballots Now Available on the
Levy County Supervisor of Elections Website**

The Levy County Supervisor of Elections Office has successfully uploaded the sample ballots for the August 18, 2026, Primary Election to its official website.

Voters can access their personalized sample ballot by selecting the "Sample Ballot" icon on the homepage at **www.votelevy.gov**. By entering their information, voters can view a party-specific ballot, providing a preview of what they will see when voting in the upcoming primary election.

In addition, sample ballots will be mailed to all active voters who do not have a Vote-by-Mail request on file, beginning July 27, 2026.

Voters are also reminded of how the Governor's race will appear on the ballot. In Florida, the office is designated as **Governor and Lieutenant Governor**, even if a candidate has not selected a running mate. Candidates for Governor may choose a running mate for Lieutenant Governor. If a running mate has been officially qualified, both names will appear together on the ballot. If a running mate has not been selected by the end of qualifying, only the name of the Governor candidate will appear.

The deadline to register to vote for the Primary Election is **Monday, July 20, 2026**.

Voters are encouraged to visit **www.votelevy.gov** for additional information, including how to register to vote, request a Vote-by-Mail ballot, or sign up for Ballot Trax to track their ballot status.
