Election Day Tips for Levy County Voters Ahead of Primary Election on August 18

Bronson, FL – Tammy Jones, Levy County Supervisor of Elections, is encouraging voters to prepare now for the upcoming Primary Election on Tuesday, August 18. Polls will be open from 7 a.m. to 7 p.m. on Election Day. To ensure a smooth voting experience, voters should review the following important Election Day information.

Verify your polling location before Election Day. Your polling place is listed on your Voter Information Card and can also be found online at www.votelevy.gov/voters/where-to-vote-in-person or by calling 352-486-5163.

Check your voter registration status. If you are unsure whether you are registered or if your information is current, visit <https://www.votelevy.gov/voters/check-voter-status/> or contact the Elections Office for assistance.

Bring an acceptable photo and signature ID. Florida law requires voters to present valid identification at the polls. Voters who do not provide an approved form of ID may be required to vote a provisional ballot.

Review your sample ballot before heading to the polls. Familiarizing yourself with the candidates and races on your ballot can help reduce waiting times and make the voting process easier. Sample ballots are available online at <https://www.votelevy.gov/voters/sample-ballot/>.

“Every election is important, and we encourage all eligible voters to make a plan to vote and participate in the democratic process,” said Tammy Jones. “Taking a few minutes to verify your polling location and review your ballot before Election Day can help ensure a quick and successful voting experience.”
