Levy County Supervisor of Elections Encourages Voters to Participate in Early Voting for the 2026 General Election

Bronson, FL — The Levy County Supervisor of Elections Office encourages voters to take advantage of Early Voting opportunities for the 2026 General Election.

"Voting is one of the most important responsibilities and privileges we have as citizens," said Supervisor of Elections Tammy Jones. "We encourage every eligible voter to make a plan to vote early and take part in this democratic process."

Early Voting will be available October 22 – November 1, 2026, including weekends, from **8:00 a.m. to 5:00 p.m. each day**. Early Voting provides voters with a convenient opportunity to cast their ballot before Election Day.

Children can participate in a special voting experience featuring a kid-sized voting booth, coloring activities, crafts, and the opportunity to vote for their favorite Mario character. The Kids' Voting Corner is designed to help inspire the next generation of voters.

The Levy County Supervisor of Elections Office encourages all voters to review their registration information, make a voting plan, and participate in Early Voting.
